

AN UNFORGETTABLE VENUE:

Heritage Hall

AT THE CATHOLIC UNIVERSITY OF AMERICA

Nestled within Washington, D.C.'s historic Brookland neighborhood, The Catholic University of America's historic Heritage Hall offers a unique and incredible venue for your special event.

Heritage Hall

Built in 1914, Father O'Connell Hall has been meticulously restored to its former glory. The gem within Father O'Connell Hall is Heritage Hall. Renovated in 2013, it boasts exquisite marble floors, elegant wood paneling, beautifully restored light fixtures, and an old-world charm that will capture your guests' attention as they enter, and invite them in to delight in this graceful, refined retreat.

A Campus Landmark

Father O'Connell Hall is a magnificent, four-story, Gothic-style building that spans more than 72,000 square feet. The facade of this LEED-certified, campus focal-point features stunning stone masonry. And the materials used in its renovation — limestone, marble, bronze, glass, and wood — harmonize beautifully with the other nearby historical structures that are part of the architectural heritage of the University.

Cocktail Hour

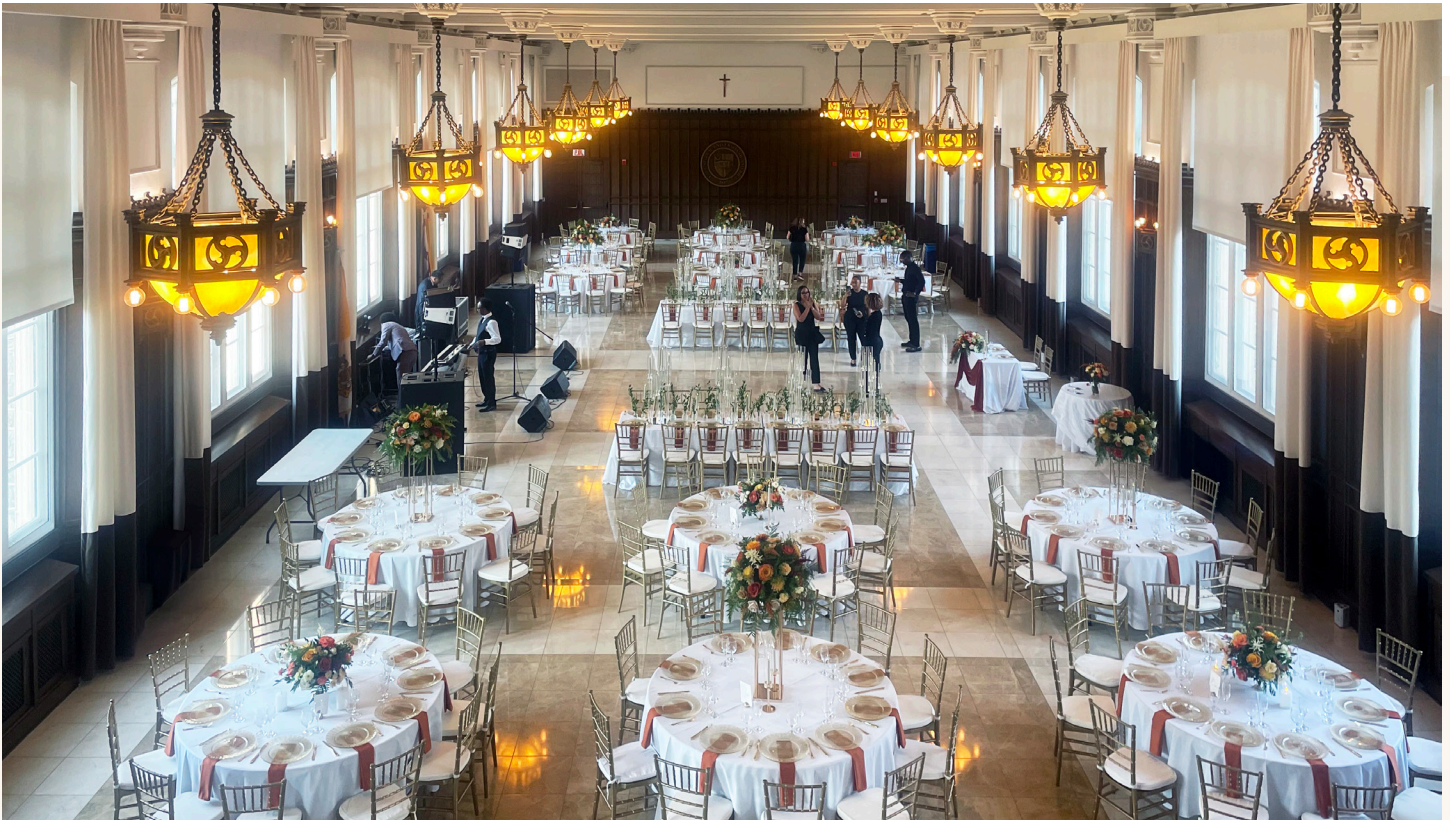

Our outdoor cocktail space, with its charming courtyard, offers a warm welcome to your guests. The outdoor space is included in the rental price.

Amenities

Whether you're planning an intimate gathering or a grand celebration, Heritage Hall provides a versatile space that can be tailored to your specific needs. The venue is equipped with state-of-the-art audio visual technology to help you run a smooth and impressive event. From elegant weddings to key corporate conferences, our experienced staff is dedicated to making your event memorable. Heritage Hall promises to deliver an experience that reflects your vision and exceeds your expectations.
